1. Introduction

This notice to mariners is to inform that Moray Offshore Windfarm (West) Limited (Moray West) will be carrying boulders and debris relocation works from a vessel at the Moray West Offshore Wind Farm site and Export Cable Corridor.

The Moray West site is located on the Smith Bank in the Outer Moray Firth, approximately 22.5km from the Caithness coastline. The offshore wind farm site covers an area of approximately 225km². The offshore wind farm site is given in Figure 1:

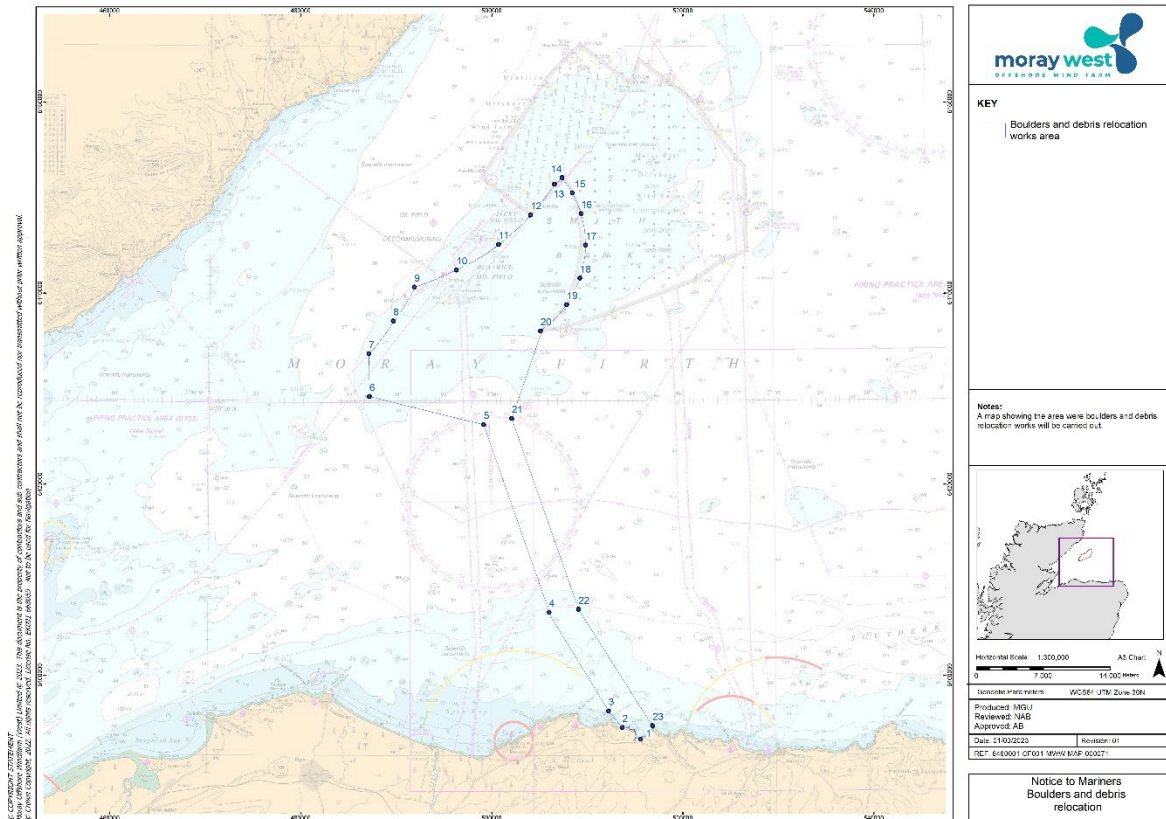

Figure 1. Moray West Wind Farm Site. Location of the works

The vessel works are to take place within the blue boundary shown in the figure above.

The vessel is expected to arrive on site on 7th March 2023, with relocation works anticipated to commence no earlier than 10th March 2023, and work duration is expected to be approximately 16 weeks.

2. Seabed preparation for construction survey – Offshore boulders and debris relocation Works

Scope of work will be to relocate debris and boulders around cable routes and foundation locations.

The coordinates of the work site boundary are presented in the below Table 1 (these are the same as presented in Figure 1 above):

Table 1. Coordinates of proposed survey
